G
Do you believe me when I say I love you

Do you believe
C
Tell me do you believe

Verse: 2

I'm not looking for perfection from you
I'm not looking for your head to be clear
Just open up your heart to love me
Draw closer I just want you near
Do you believe
Tell me do you believe

Chorus:

G
I'm so crazy about you

can't get you out of my head
C
My never ending love for you

Cannot go unsaid
G
I'll always be searching for you

Both High and low
C
Nothing will ever separate
G
You from my love
