

# Revitalize [D]

[Default Arrangement] by Matt Fowler

## VERSE: 1

**A**  
When my soul is dry  
like the desert sand  
and I have no hope  
**D**  
Like a flood rush in  
**A**  
Like a flood rush in  
When my spirits crushed  
and I cannot stand  
lifeless reflection  
**D**  
In the mirror again  
**A**  
Heal these wounds again

## CHORUS:

**D** **E** **A**  
Draw me to your shore  
**D**  
I want to know you more  
**E** **A**  
Awake my sleepy soul  
**D**  
I give you full control  
**E** **A**  
Up from the waters deep  
**D**  
Your power lives in me  
**E**  
You've unveiled my eyes  
**A** **D**  
Holy Spirit bring us life  
**A**  
Revitalize

## VERSE: 2

When the life runs out  
like the light at dusk  
and I reach my end  
lead me to the dawn  
Help me find the dawn  
  
When I look at pride  
With wonder and lust  
Consume my heart with  
A brand new song  
I want to sing your song

## VERSE: 3

From gloom of darkness  
To the light of the sun  
From the dust of the ground  
To a diamond  
Shine like a diamond  
  
From the winters gray  
To the colors of spring  
From the death of the grave  
To rising again  
To rising again
