**Am**            **C**  
Day and night  
                                 **G**  
we search for you  
**Am**  
lookin for a  
**C**                    **G**  
pillar of fire  
**Am**  
To bring your  
**C**                    **G**  
Presence into view  
**Am**                    **C**  
More of you  
                                 **G**  
We desire

## Chorus: 1

**G**  
We will follow  
                                 **C**  
We will follow  
                                 **G**  
Spirit like fire  
                                 **D - D7**  
Show us the way  
                                 **G**  
We will follow  
                                 **C**  
We will follow  
                                 **G**  
Spirit like fire  
                                 **D - D7 - G**  
we will obey

## Verse: 2

Ignite the passion  
once Again  
Hearts full of love  
burning bright  
illumination  
with no end  
like a pillar of  
fire at night

## Verse: 3

I thirst for  
Purity  
Coming from the  
Mouth of a liar  
Lord Refine  
In me  
A heart like gold  
in your fire

## Chorus: 2

I will follow  
I will follow  
Spirit like fire  
Show me the way  
I will follow  
I will follow  
Spirit like fire  
I will obey
