

Well Spent Time [G]

[Default Arrangement] by Matt Fowler

Verse: 1

Every now and then our peace
is stolen by the night
not because we're mad
or because we had a fight
and the later it becomes
time beats on like a drum
and I just want to
close my eyes

Verse: 2

When I was just a boy
ten years old
hallelujah
always brought me home
now I'm afraid You won't draw near
or even lend me Your ear
When all I want to
do is sing Your song

Chorus:

Hal - le - lu - jah
Hal - le - lu - jah
Hal - le - lu - jah
Hal - le - lu

Verse: 3

In the quiet of the night
You're here with me
putting thoughts in my head
of who I could be
I don't always sing Your song
or even feel like I belong
to a kingdom so
high above the sea

Verse: 4

If I could turn the light off
in my mind
to shut it down so I
won't fall so far behind
the night wouldn't be so long
and I wouldn't have this song
to remind me of this
well spent time
